AS MEP I WILL

Fight for a Europe of jobs and growth, not austerity, to secure prosperity for London and Britain

Help Britain stand tall in Brussels, so we can stand tall in the world

Champion Labour values to drive change in Europe

Fight crime and strengthen law enforcement cooperation

Protect workers' and women's rights and invest in young people

Promote London as a centre of excellence in science and innovation

I will work with you and campaign relentlessly to get Labour back to power in Brussels, in our wards – and, come 2015, into No 10.
